Book Signing with Peter Prybot

The Gloucester Maritime Heritage Center will host a book signing party in honor of Peter Prybot to celebrate the new edition of his book, *White-Tipped Orange Masts*. The event will take place at the Center on Thursday, August 2nd at 7 p.m. Prybot will read from his book and lead a question and answer session. The book focuses on the glory days of the Gloucester dragger fleet, weaving together Prybot's own firsthand observations as a lifelong Gloucester fisherman with true stories about terrible weather, good and bad fishing days, and the dangers intrinsic to the life of the men who manned the Gloucester dragger fleet. For more information, call 978-281-0470.
